Information for applicants  
Dear applicant,  
after registration (under „QUICKLINKS „Registration“) the following groups of applicants may use this application portal of the University of Freiburg to apply during the [application periods](#) <#>:

- All applicants for [undergraduate degree programs](#) <#> (Bachelor, State Examination) for the 1st and higher semesters (exceptions see below)
- All applicants for [Master programs](#) <#> (M.A., M.Sc., M.Ed., LL.M.) for the 1st semester
- All applicants for degrees in the [Dialogorientiertes Serviceverfahren \(DoSV\)](#) <#> after first registering at [Hochschulstart](#) <#>. DoSV only occurs for applications to the 1st semester. At the moment, the following degrees are participating in DoSV at the University of Freiburg:
  - Betriebswirtschaftslehre (Public and Non-Profit Management), Bachelor of Science
  - Biologie, Bachelor of Science
  - Geographie, Bachelor of Science
  - Pharmazeutische Wissenschaften, Bachelor of Science
  - Psychologie, Bachelor of Science
  - Rechtswissenschaft, Staatsexamen
  - Sportwissenschaft - Bewegung und Gesundheit, Bachelor of Science
- Applicants for the lottery procedure in study programs with restrictive admission (winter semester: from September 1 through 30 / summer semester: from March 1 through 31)

Applications for a higher semester in these programs, as for all other undergraduate programs, are possible in the summer- and wintersemester via this portal.

If the end of the application period (cut-off deadline) falls on a Sunday, public holiday or Saturday, the deadline ends at the end of the corresponding day and is not extended until the end of the next following working day.

The following groups of applicants do not apply via this portal:

**i** Do you already have an application-account or UniAccount?

If you have already applied to Albert-Ludwigs-Universität Freiburg and the last use of your account was less than a year ago or you are already enrolled at Albert-Ludwigs-Universität Freiburg, please do not complete another online registration:

- If you have an active application account at the Albert-Ludwigs-Universität (typically: "First name.Last name"), you can apply directly after registering with the system under **Studies offered | Online application**.
- Registered students of the Albert-Ludwigs-Universität can apply directly for another course of study with their UniAccount <#> UniAccount (typically "xy1234") in the role **Studying under Studies offered | Online application**.

All other groups of people automatically receive an application account after self-registration: School leavers, students from other universities, guest students, future doctoral students, students registered at the Albert-Ludwigs-Universität who are not enrolled, former students of the Albert-Ludwigs-Universität. The application account will be sent to them automatically after self-registration. **Important: if you already have an active application account, a new registration is not possible.**

Please do not try to register more than once! Multiple registrations lead to errors.

Application data is regularly deleted by the Albert-Ludwigs-Universität for data protection reasons (typically twice a year). Application accounts and master data are also automatically deleted 1 year after the last use of the account. If you can log in with your application account, your account is still active. If you have forgotten the password of your application account, please use the function Lost login data? Forgotten password for students with UniAccount works via [myAccount](#) <#>.

Thank you for your interest in our university.

## Step 2: ONLINE APPLICATION

### 1. Click on **“Start Application”**.

The screenshot shows the 'Status student application portal' with a green checkmark indicating all functions are available. Under 'Choose your portal - applicant', there are two options: 'Applicants' (highlighted with a red box and a red circle with the number 1) and 'Doctoral Candidates'. The 'Your Applications' section shows a 'Start Application' button, also highlighted with a red box and a red circle with the number 1. The 'Functions for students not usable with an applicant's account' section provides information about Uni-Account and applicant accounts. The 'Information for applicants' section includes a list of eligible programs and a note about the lottery procedure.

### 2. Choose **“Winter Semester 2022/23”**

The screenshot shows the 'Online application' page. The 'Semester' section has a dropdown menu with 'winter semester 2022/23' selected, highlighted by a red box and a red arrow. Below the dropdown is a 'Start application' button. The page also includes information about selecting a preferred application semester and links to further information.

### 3. Click on **“Add an application”**.

The screenshot shows the 'Online application' page with the 'Semester: winter semester 2021/22' displayed. The 'Application in progress' section includes a message about documents in the inbox and instructions on how to add an application. The 'Add an application' button is highlighted with a red box and a red circle with the number 2.

## 4. Select the desired Degree program: choose “**Master of Science**”

Privacy statement

In order to assist applicants during the application process, the SCS-administrators are able to view incomplete applications as well as those that have not been submitted yet. Administrators will only view your application if you contact the Studierendensekretariat (or, in the case of an application for a Master's program: the relevant department). Incomplete applications and those that have not been submitted will be deleted after the admission procedures have been completed. As part of the evaluation of international educational qualifications, we may send documents to the Central Office for Foreign Education Systems.

Dear prospective students,

Welcome to the application portal of the Albert-Ludwigs-University of Freiburg. You have successfully registered and logged in with your applicant ID. On this page, you can now select your desired degree program and start your application.

The application will be paperless. As part of the application process, you will be required to upload all the necessary documents to this application portal. At the end of this process, you can submit your application electronically to the University of Freiburg via the application portal, within the applicable application deadlines. Once the admission procedure has been carried out, the letters of admission (with verification code) and rejection will be made available to you as a PDF file on the application portal. You can then download these and print them out if required.

Before you start your application, you can inform yourself about the degree programs and the application modalities on the website of the University of Freiburg at [www.studium.uni-freiburg.de](https://www.studium.uni-freiburg.de). You will also find the most important information on how to apply in the following leaflets:

- Application 1st semester information sheet (undergraduate programs)
- Application for higher semesters information sheet (undergraduate programs)
- Master's degree applicants can find information through the list of programs offered and the pages of the respective faculty
- International applicants can find information on the following pages

For undergraduate programs, applications for higher semesters and Master's programs, you can submit a maximum of three applications each to programs (fields of studies) that have restricted admission. Applications for programs without admission restrictions (open admission) are not subject to this restriction. If you click on "Go to overview" in the top right-hand corner during the application process, your previous entries will be saved. You can then continue this application later. Please also note the information on the right under Help & Contact and the info buttons. You can now begin your application below by selecting your desired degree.

Your desired degree program

Should you want to hand in an application for both a first semester and a **higher semester**, you have to fill in all information regarding your past studies completely when you create the first application. Please complete the compulsory fields before clicking "Next".

You can find valid **subject combinations** at the following web address on the pages of the individual subjects (make sure to choose the correct degree), under the tab "subject combinations".

If you want to apply for the Bachelor program in Liberal Arts and Science, select "Bachelor".

If you want to apply for the trinal degree program Law (LL.M.), select "Master of Laws" and field of study "Law".

If you want to apply for the Legum Master postgraduate degree program Law (LL.M.), select degree "Legum Magister" and field of study "Law".
